

RELATIONS WITH OTHER COLLEGES AND UNIVERSITIES

GI  
(LOCAL)

The College President shall ensure continuous communication between the College District and other colleges and universities concerning transfer and other articulation problems. Special efforts shall be made to facilitate the transfer process and to minimize issues involved in transferring specific courses.

RESEARCH AND  
DEVELOPMENT

Any request for participation in a research project from a person or agency outside the College District shall be referred to the College President or designee for consideration.
