All inquiries regarding student admissions should be directed to the Office of Admissions.

GENERAL
ADMISSIONS

Galveston College maintains an open admissions policy and constantly works to provide programs beneficial to all students. General admission to the College, but not necessarily to specific courses or programs, may be achieved by one of the following methods:

1. **High School Graduate.** Graduates of accredited high schools will be admitted upon completion of an Application for Admission and presentation of an official transcript. Galveston College defines an accredited high school as a Texas public high school authorized through the Texas Education Agency, the Texas Private School Accreditation Commission, the Southern Association of Colleges and Schools, or if located in a state other than Texas, that state's comparable agencies and/or regional accrediting association.
2. **Home School Graduate.** Graduates of a home school will be admitted upon completion of an Application for Admission and presentation of a certified list of completed coursework. Galveston College defines a home school where the parent or guardian has been directly involved in the instructional process.
3. **Certificate of High School Equivalency.** An individual who has passed the General Education Development Test (GED), HiSET Exam, or the TASC Test will be admitted upon completion of an Application of Admission and

presentation of acceptable GED scores, as certified by the State of Texas.

4. **College Transfer.** Students who have attended another higher education institution are considered transfer students. Transfer students must submit an Application for Admission and an official college transcript from each college or university attended. Students with less than 15 hours or students who are seeking federal financial aid must also submit an official high school transcript.

Transfer students must be eligible for readmission to the institution in which the student was last enrolled (normally defined as being in 'good standing' - Ex: GPA of 2.0 or better on a 4.0 scale) and must meet the academic requirements of Galveston College. Students not in good standing may be admitted by the Director of Admissions/Registrar and/or the appropriate Vice President or designee. For additional information concerning transfer admissions, students should consult with the Director of Admissions/Registrar or designee. For additional information on transfer of credit to Galveston College, please see Transfer of Credit. (FBA Local)

5. **Individual Approval.** Students who enroll in Early Admission, Dual Credit, and Tech-Prep Programs, who have graduated from a non-accredited high school or academy, or who have the Ability to Benefit from the College's instructional programs may be admitted by Individual Approval. Please contact the Director of Admissions/ Registrar for additional information.
6. **Non-Degree Seeking** – Students who enroll in classes for professional review, cultural, or personal growth and achievement will be classified as non-degree seeking students. Students who have declared a degree at another university or college, and are enrolled in classes at Galveston College for transfer purposes only, are also classified as non-degree seeking. Non-degree seeking students are required to submit the following documents:
 - a. Application for Admission
 - b. Appropriate transcript(s) for placement or TSI status.

Note: Students who wish to change to a “degree-seeking status” will be required to furnish all previous college transcripts and meet entrance requirements.

7. **Readmission.** A Galveston College student who has not attended the previous long semester (fall or spring) must apply for re-admission through the Office of Admissions. If the student has attended another college since his/her previous enrollment at Galveston College, a current transcript of all college credits is required.

8. **Readmission of Service Members and Reservists.** Service members and reservists are eligible to be readmitted to a program of study if they are temporarily unable to attend class or must suspend their studies due to service requirements. Service members and reservists are admitted to the program with the same status and standing prior to the temporary interruption of attendance.

Documentation for Service Members and Reservists:

(1) A student who submits an application for readmission to an institution under paragraph (c)(1)(iii) of this section shall provide to the institution documentation to establish that— (i) The student has not exceeded the service limitation in paragraph (c)(1)(ii) of this section; and (ii) The student's eligibility for readmission has not been terminated due to an exception in paragraph (h) of this section.

(2)(i) Documents that satisfy the requirements of paragraph (g)(1) of this section include, but are not limited to, the following:

(A) DD (Department of Defense) 214 Certificate of Release or Discharge from Active Duty.

(B) Copy of duty orders prepared by the facility where the orders were fulfilled carrying an endorsement indicating completion of the described service.

(C) Letter from the commanding officer of a Personnel Support Activity or someone of comparable authority.

(D) Certificate of completion from military training school.

(E) Discharge certificate showing character of service.

(F) Copy of extracts from payroll documents showing periods of service.
(G) Letter from National Disaster Medical System (NDMS) Team Leader or Administrative Officer verifying dates and times of NDMS training or Federal activation. (ii) The types of documents that are necessary to establish eligibility for readmission will vary from case to case. Not all of these documents are available or necessary in every instance to establish readmission eligibility.

(3) The College may not delay or attempt to avoid a readmission of a student under this section by demanding documentation that does not exist, or is not readily available, at the time of readmission.

The student (or an appropriate officer of the armed forces or official of the Department of Defense) must give oral or written notice of such service to the school as far in advance as is reasonable under the circumstances. Alternatively, at the time of readmission, the student may submit an attestation of military service that necessitated his absence from school. No notice is required if precluded by military necessity, such as service in operations that are classified or would be compromised by such notice.

The student must also give oral or written notice of his/her intent to return to the school within three years after the completion of the period of service. A student who is hospitalized or convalescing due to an illness or injury incurred or aggravated during the performance of service must notify the school within two years after the end of the period needed for recovery from the illness or injury. A student who fails to apply for readmission within these

periods does not automatically forfeit eligibility for readmission but is subject to the college's established leave of absence policy and general practices.

The college will promptly readmit the student into the next class or classes in the program, beginning after he/she provides notice of intent to reenroll, unless he/she requests a later date, or unusual circumstances require the school to admit him/her at a later date. This federal requirement supersedes state law—for example, a school must readmit a qualifying service member to the next class even if that class is at the maximum enrollment level set by the state. Finally, a student's readmission rights terminate in the case of a dishonorable or bad conduct discharge, general court-martial, federal or state prison sentence, or other reasons as described in 34 CFR 668.18(h).

This practice is not used to secure service member enrollment at the college.

9. **International Students.** Galveston College is authorized under federal law to enroll non-immigrant students. International students seeking admissions should submit the following:
 - a. Application for Admission. The Application should be submitted along with a nonrefundable application fee at least sixty (60) days prior to the beginning of registration for any given semester.
 - b. An official transcript of the last four years of secondary school. The official transcript must be an original copy translated into English and must show each course completed and the grade earned.
