COMMUNITY LIVING EXPECTATIONS: THE BASICS

Introduction

Galveston College offers a student life program which gives each student an opportunity to be more engaged in the learning process and have more of a sense of community. Studies have shown that students who live on campus tend to have higher graduation rates, achieve greater academic success, are more involved in campus life, and tend to use campus resources more frequently than those not living near campus. Our Student Life program not only offers various types of housing, you will also have access to a fitness center, student center, campus dining, and many educational opportunities. Our program enables student growth both academically and socially.

All residents are expected to adhere to all policies described in the Residence Life Handbook and the Student Handbook. Any additional information may be covered during mandatory student housing meetings, or via postings, email, and/or letters. Lack of familiarity with applicable policies does not constitute a reasonable defense for violation of policies. Galveston College reserves the right to institute additional policies and procedures applicable to Galveston College Student Life and Student Housing to amend or modify any policy or procedure contained herein as Galveston College determines to be appropriate.

Housing Contract

Each resident must sign a Housing Contract as part of their housing application. Residents are on a yearly Fall through Spring contract. By completing the Housing Application and signing the Housing Contract, the student agrees to adhere to all Galveston College policies and procedures set forth in this document and the Student Handbook while residing on campus.

Roommate Agreement

All students must complete a Roommate Agreement within the first week of moving into student housing. This document is a living contract between the resident and their roommates and suitemates addressing cleanliness, conflict, and how shared living issues will be handled throughout the semester. Students complete this document in the presence of their Student Housing Supervisor who will help mediate concerns of residents as they work through the document. Students are expected to uphold the agreement they set forth with their roommates at the beginning of the semester. Any changes to the original contract need to be updated with the Student Housing Supervisor of the residents respective building. (**See attachment A**)

Age

A student must be at least 18 years old as of the first day of the contract period in order to be eligible to live in GC Student Housing. In very limited circumstances, the Associate Vice President for Student Services may grant an exception to this minimum age requirement for good cause.

Background Check

Galveston College conducts criminal background checks on all housing applicants prior to acceptance into campus housing and as needed throughout the year. Student must have an acceptable criminal background check in order to be eligible for housing. Students with a pending Class B or higher charge will not be allowed to live on campus until verification of dismissal from the court has been provided to the Associate Vice President for Student Services.

Should a resident be charged with a criminal offense during the course of a semester which would preclude them from being a housing resident, that resident may not be eligible to remain in housing.

Registered sex offenders are not permitted to live in or be within the living areas of a Student Housing Unit. A student who has been removed from Student Housing due to a disciplinary action is not eligible to live in Student Housing. **See attachment D** for additional information and a copy of the Galveston College Release of Background Information form.

Medical Coverage and Personal Property Insurance

- All on-campus residents are required to have the bacterial meningitis immunization at least 10 days prior to moving into Student Housing. Meningitis shot records and proof of medical coverage must be provided along with the application. Student athletes are not eligible to complete a medical coverage waiver and must provide proof of insurance.
- All students are encouraged to have the following immunizations or screening tests completed prior to admission: measles, mumps, rubella, tetanus, diphtheria, pertussis, polio, varicella (chicken pox), hepatitis B and tuberculosis skin test.
- If an accident or emergency occurs on campus, students should seek aid from one of the many local hospital emergency services on the island. **The cost of any professional service is the responsibility of the student.** There are no health facilities on the Galveston Campus. Residents are strongly encouraged to inform the Student Life Coordinator/Student Housing Supervisor of any special medical requirements so that information is available if an emergency arises.
- Galveston College recommends that personal property or renters insurance be purchased for any valuable items which the resident intends to keep in their assigned space.

Room Assignments

- Only applicants who complete the Housing application process and arranged for payment will be assigned a room. Placement is based on the date the Housing application process is completed. This includes receipt of the following: Housing application and \$100 application fee, signed housing contract, receipt of \$200 deposit, medical insurance information or waiver, meningitis shot records, copy of driver's license or State identification card and passed a background check and documentation that payment arrangements have been made.
- The Student Life Staff makes every effort to match roommates and suite mates based upon common interests indicated on the Student Housing Application.
- The College reserves the right to refuse admission to student housing to anyone. The College may modify or reassign student housing space as deemed necessary.
- Students who do not check-in by 2 p.m. on the first class day will forfeit their housing deposit, housing fee and room reservations.
- In the case of an unavoidable delay, the student should contact the Student Life Coordinator prior to move-in for permission for a late arrival.

Room Change - Galveston College encourages students to respectfully communicate with their roommate about any issues they are having. If the issue cannot be worked out calmly and respectfully you may then contact the SLC or their student housing supervisor about a room change.

All room changes must be approved by the SLC. Any resident requesting a new roommate will be required to change rooms. Residents changing rooms must follow standard check-out procedures. Failure to follow this process will require the students to return to the assigned room and/or be assessed a fee.

Improper Room Change - All occupants are assigned a given space (House/Apartment, Room #, Bed #.) No resident is allowed to switch rooms with any other resident without proper clearance through the Student Life Office. No resident may move out and allow another person to move into their assigned space without proper clearance through the Student Life Office. Residents who do so will be assessed a fee (See Code of Conduct

Violation Chart), required to complete an inspection of the room they vacated, complete all necessary paperwork and may be assessed disciplinary points.

The Housing Office reserves the right to move residents to another unit for safety reasons, to conserve energy, to conduct repairs, or other circumstances deemed necessary by College staff.

Special Housing Assignments - Students with disabilities requiring special housing accommodations must complete and submit an application for housing along with appropriate supporting documentation to the Office of Special Services and the Office of Student Life.

Room Consolidation - The Office of Student Life reserves the right to make reassignment of accommodations as considered necessary.

- Residents solely occupying double rooms must select one of the following options:
 - Elect to contract and pay the additional fee for the private room. This option is permitted only if space is available and approved by the Office of Student Life; or
 - Choose to move to another half-filled room in the same building or have a roommate assigned.
- Residents, who are directed to consolidate, but fail to do so, will be billed automatically for a private room; \$2,700 or \$3,000.
- Residents who refuse to accept an assigned roommate, or who elect to pay for a private room after a roommate is assigned, will also be automatically charged the private room rate prorated from the date single vacancy occurs.
- If a resident is occupying a double room without a roommate, the resident must:
 - Keep the unoccupied half of the room in the condition that would allow someone to move into the room on short notice.

Room Reservations for Returning Students

Room reservations for returning students are made during the spring semester at the Office of Student Life. A notice announcing dates to make housing requests for the following year will be posted in and around student housing.

Academic Progress Requirements for Student Housing

The Office of Student Life strives to provide a suitable environment for all residents during their stay on the Galveston College campus. The purpose of this policy is to nurture residents and support their academic progress. The following academic and attendance requirements are for all students residing in student housing:

- Student must be enrolled in courses during the fall and spring semesters, and maintain at least 12 credit hours per semester ("Full-Time Status") to reside in Student Housing.
- Every student must maintain Full-Time Status while living in GC student housing. The Student Life Coordinator will review resident GPA's and hour loads up to twice a semester. If a student falls below the required 12-hour enrollment status, they will not be able to remain in Student Housing and must inform the Student Life Office. The resident can submit a written appeal to the Student Life Office requesting a waiver, if the waiver is permitted the resident may continue to live in Student Housing. Waivers must be approved by the Associate Vice President for Student Services.
- The resident has 3 class days to begin the academic reinstatement process or complete the appeal process to stay in Student Housing. If reinstatement is not possible and the appeal is denied the resident must move out within 48 hours.

- Appeals will be heard by the Associate Vice President for Student Services who will take the student's academic performance, discipline record, and additional circumstances into consideration. If a resident is approved to remain on campus below (12) hours and commits a discipline violation, the student must move out of campus housing within 48 hours of notification.

Cancellation and Refund Policy

- Requests to cancel a housing application must be received by the Office of Student Life in writing 30 days prior to the check-in date in order for the housing deposit to be refunded.
- The housing deposit and room charge will NOT be refunded if a student is placed in a room and fails to move in.
- Except for early GC graduation, a student who chooses to move out of Student Housing prior to the completion of the contract will receive no refund of any portion of the room charge and forfeit the housing deposit.
- The meal plan will be stopped the day the resident checks-out of student housing and the refund will be prorated for the services not used. Student meal plan information will be entered by the Student Life Coordinator into the new Ellucian Housing module prorated system for refunds.

Evictions

Residents may be evicted from housing when they fail to meet enrollment or GPA requirements, fail to make financial payments, or as a result of disciplinary action. Residents who have been evicted may return to student housing when they meet the terms of the eviction (unless the eviction was the result student housing disciplinary action), and receive approval from the Associate Vice President for Student Services.

Removal from Student Housing

Residents can be removed from student housing through College action for the following reasons:

- Violation of College policy
- Failure to complete payments for room and board
- Disruptive or violent conduct
- Failure to adjust to community living
- Substandard GPA
- Fall below the requirement to be enrolled in 12 credit hours each long semester.

No refund of housing charges will be made if a student is removed under these conditions. A student removed from housing will also forfeit their housing deposit. The College reserves the right to take action through the College disciplinary system and/or through legal channels in situations where the conduct of the student is detrimental to the basic mission of the College.

Grade Point Average (Required GPA)

Student must meet academic standards of progress as defined in the college catalog. Current GC students and students transferring to Galveston College who apply to live in student housing for the first time must have a cumulative GPA of 2.0 and be enrolled in a minimum of 12 hours. Transfer students may request a one-time exemption to the GPA requirement from the Student Affairs Committee. A student's failure to meet any of these requirements will result in denial of housing or removal from housing.

Identification Card (Galveston ID)

Each student must obtain a Galveston College Student Identification Card (ID) from the Media & Print Center (Room R-120) prior to moving into their housing assignment. A Student ID is not transferable and may not be

used by or given to others. It is necessary to check out materials in the library, use the fitness center and entrance to College sponsored activities. Students must have their current Student ID with them/on their person at all times and present it willingly upon request by any professional staff member or Galveston College Security Officer.

Keys

Keys to doors/rooms/apartments are issued during the check-in process. Duplication of keys and loaning keys to others is strictly forbidden. Altering or adding locks are forbidden and will result in charges to be assessed to your account. Keys are the property of Galveston College and must be returned to the Student Life Coordinator/Student Housing Supervisors at the end of the resident's occupancy. Residents must carry their keys at all times. Broken, lost, or stolen keys must be reported to the Student Life Coordinator/Student Housing Supervisors immediately. Lost key fees are charged to the student's account before replacements will be issued.

If a student loses their room key, the student will be subject to a room door lock change fee, the charge is \$50 per lock that needs to be changed, which includes a new key. Failure to return keys at check-out will result in a charge of \$50 for a room key and lock change.

The Galveston College housing key will be replaced for \$50 and mailbox key will be replaced for \$20. As an example, when a Whitecaps apartment key is lost a new lock and up to 3 keys must be replaced, the charge could be as high as \$150 to the resident who lost the key. Failure to return a Whitecaps apartment key at check-out is \$150 to replace the room keys and lock. Charges for other housing units could be higher. When a GC Housing unit key is lost a new lock and up to 6 keys must be replaced, the charge could be as high as \$300 to the resident who lost the key. Failure to return a Housing unit key at check-out is \$300 to replace the room keys and lock.

Improper Use of Room Key - All occupants are issued a designated key to gain entrance into their housing unit and/or apartment. Doors should be kept locked. At no time may a resident allow anyone other than themselves to be in possession of these items. Allowing another resident, student, or person access to a living space they are not assigned to jeopardizes the safety of all students residing within a residence.

Individuals who violate room key usage will be issued a disciplinary summons. If an individual loses possession of their key(s), they should contact Student Housing Staff immediately. The College will apply the appropriate charge to the student's account for replacement keys and the door lock core.

Room Condition Sheet

The evaluation of the condition of the room and an inventory of the furnishings must be recorded on the Room Condition Sheet. This form must be signed and returned to the housing staff within 48 hours after moving in to be valid. A complete listing of existing room damages, missing furniture and other irregularities is imperative. This form serves as a contract between Galveston College and the occupying resident on the move in condition of the student's house, room or apartment. Any excessive wear or damage to the housing unit discovered at checkout that is not indicated on the Room Condition Sheet at move in is the responsibility of the resident and damage charges may be assessed accordingly.

Television – Digital cable is not provided in student housing. Students may contact the local cable provider to arrange for service at their own expense. Another option is streaming using the college's high speed internet with your smart TV. Satellite dishes (Dish, Direct TV, etc.) are not provided nor permitted in student housing. Residents are prohibited from mounting TVs or monitors on walls in any student housing unit.

Telephones - Telephone service is not provided in any of the student housing units.

Galveston College E-mail Accounts

The student email account is the primary communication method between Galveston College and students. Students are required to activate their account to receive College communications. Failure to activate the account does not relieve students of the responsibility of not receiving important messages sent to them.

To access your email account:

1. You can go to GC.edu and click on "Outlook Mail" at the top of the page or go to login.microsoftonline.com. Follow the instructions to access your Galveston e-mail account.
2. The email address should appear as the following: FirstName.LastName@whitecaps.gc.edu

Safety on Campus

Safety on campus is a joint responsibility of Campus Security, students, and employees. Campus Security Officers are available to help you 7 days a week, 24 hours a day. They welcome all questions, suggestions and reports of any activities that do not appear to be safe or conducive to a positive learning experience. The security team is composed of Galveston County Sheriff deputies during the day and security officers overnight and weekends. **To report emergencies or to request an escort, dial extension 361 from any campus phone. From your cell phone, dial 409- 944-1361.**

Safety Tips - Security Awareness and Crime Prevention Programs

It is the philosophy of Galveston College to work to prevent crimes from occurring. A primary vehicle for accomplishing this goal is the campus comprehensive crime prevention program. The campus crime prevention program is based on the dual concepts of eliminating or minimizing criminal opportunities whenever possible and encouraging students and employees to be responsible for their own security and the security of others. The following is a listing of the crime prevention programs and projects employed by the Campus Security Department:

College ID Badges

Students and staff are required to have their ID badge in their possession at all times when on Galveston College campus. It is recommended that you wear your badge so GC Security staff can recognize any visitors or persons who are not students or staff.

Escort Program

Campus Security provides an escort service, particularly during the hours of darkness, for persons walking on campus to their vehicles and to staff who work in security sensitive areas. The service is available 24 hours per day, seven days per week. For assistance please dial extension 361 while on campus or 409.944.1361 for the Security Department.

Lost & Found

A lost and found locker is maintained by the Security Department in N-102.

Motorist Assistance

The Campus Security Department provides a program which assists motorists by jump-starting and locating vehicles. This eliminates people from standing in the parking lots for long periods of time with no means of transportation, and also eliminates unwanted assistance from strangers. Vehicles without a GC student housing resident parking permit cannot be left on campus overnight; prior permission from the GC Campus Security Office is required for exceptions.

Shuttle Service

This program is provided to 39th Street and satellite parking lots during inclement weather. Students can call Security to find out if the service is in operation and may wait in the atrium for this service.

Campus Motor Vehicle Rules and Regulations

Student Parking

All resident students utilizing campus parking facilities must properly display a valid Galveston College Student Housing Resident parking permit, and park in an appropriate parking space. Galveston College does not guarantee a parking place, nor does the absence of a parking space justify violation of the Campus Motor Vehicle Rules and Regulations. Students should consult the current Student Handbook and the Campus Motor Vehicle Rules and Regulations for specific information on parking including violations, fines, and appeals.

*41st Street Residential Parking

- Residents living in any of the College houses on 41st street (also known as Jack Johnson Blvd.) will also need to acquire a residential parking permit from the City of Galveston. There is no charge for this permit. Vehicles without this permit will be ticketed by the City of Galveston Police Department and possibly towed at the owner's expense.

*Seibel & 3802 Avenue R Residential Parking

1. Students are allowed to park in front of the Seibel residences and house 3802.
2. Students will not be allowed to park in front of the Seibel residences or 38th Street on trash day. All students must park in the 39th Street Lot on those days.
3. Students and/or their visitors are not allowed to park across the street from the Seibel residents at any time. Students who fail to adhere to this rule will be ticketed and reported to the appropriate coaches.

* Whitecaps 3916 Avenue Q Residential Parking

- Students should park in the Whitecaps Lot.

Parking Permits

Students may obtain GC Parking Permits (with proof of current enrollment) free of charge from the IT Service Desk on the first floor of Regents Hall. All students who park an automobile on campus must display a valid parking permit on the outside lower left corner of the rear window. Permits for convertibles, pickups with temporary campers, and vehicles with a rear window sun shield may be displayed on the left rear bumper.

Failure to display a parking permit as described above constitutes a parking violation. Students shall be responsible for all permits registered in their name, regardless of the owner of the vehicle. If a parking permit is lost, the loss should be reported, in person, immediately to the IT Service Desk.

Where to Park

Students with handicap / disability license plates or special handicap tags may park in any designated handicap space. All students may park in all parking lots and spaces not designated for visitors, for the disabled, for College vehicles, for faculty and staff, Fire Lanes or as reserved. These spaces are reserved 24 hours a day seven (7) days a week.

Warning! Vehicles illegally parked on the Galveston College campus may be immobilized or towed away at the owner's expense. Cars may be ticketed and/or towed by Galveston College or the City of Galveston for violations. Unpaid tickets create a hold on your record, and fines must be paid in order to drop classes, to register for the next semester, or to obtain a college transcript.

Signs/Notices/Fliers

A frequently used means of communication by the college to distribute information regarding registration, check out, holiday close down is through signs, notices and flyers. Do not remove or tamper with notices posted by College staff.

All signs or posters must be approved before they are displayed. Posting of materials in any housing area is prohibited without prior approval of the Student Life Coordinator.

Title IX – Sexual Misconduct, Sexual Assault and Sexual Harassment

STAYING SAFE ON CAMPUS (TITLE IX)

Students who have experienced sexual assault, sexual violence, stalking, domestic violence, or other crimes may seek advice, assistance, and resources from the Associate Vice President for Student Services or the College’s Title IX Coordinator. The Title IX Coordinator’s duties include facilitating the complaint and investigation process. Individuals within these offices can assist the complainant with accessing medical or counseling services, advocacy services, social support services, legal services, and police services. Even in the absence of a formal complaint, the College may be able to provide assistance to the complainant with respect to his or her academic, living, transportation, or working situations.

For more information, please refer to the Student Handbook and the College website www.gc.edu and search *Campus Safety and Security Staying Safe on Campus*.

Title IX Coordinator: Dr. Mary Jane Lantz

Galveston College Alert System

In the event of an imminent threat to life safety (i.e., an active shooter on campus, bomb threat) Galveston College Alerts will be sent. Please follow all instructions provided within the alerts or given by emergency response personnel.

The Galveston College Alert System is an emergency mass notification tool used by Galveston College to inform students and provide safety information in the event of an emergency. This system can alert students via e-mail, phone call, and text message.

To be warned of any pending danger, students must update their cell phone, text messaging and/or alternative email contact information by going to their Whitecaps portal and ensuring that their contact information is correct in My Profile. Student email addresses and cell phone numbers are automatically populated to the Galveston College Alert system. All residents are expected to activate their Galveston College e-mail account and check it regularly as Galveston College Alert messages will be sent to this account.

When the College initiates an emergency message the student will be contacted. The call sequence will cease when the affirmative response message has been received.

Enrollment in the program is free. Cell phone carriers may charge for a text message if students do not possess a plan that includes messaging; consult carrier for details. Galveston College will not use this contact information except in an emergency that has the potential to affect your health and safety.

Active Shooter

An active shooter is defined as one or more subjects who actively engage in killing or causing life threatening injuries to multiple people in a confined and populated area. Active shooter situations are dynamic, evolve quickly, and often end before law enforcement arrives at the scene. How you respond to an active shooter will be dictated by the specific circumstances of the encounter. If you find yourself in an active shooter situation, try to remain as calm as possible and use these suggested actions to help you plan a strategy for survival.

Run. Hide. Fight.

Should you ever find yourself in the middle of an active shooter incident, your survival may depend on whether or not you have a plan. The plan doesn't have to be complicated. There are three things you could do that make a difference: Run. Hide. Fight.

Run. When an active shooter is in your vicinity:

- If there is an escape path, attempt to evacuate.
- Evacuate whether others agree to or not.
- Leave your belongings behind.
- Help others escape, if possible.
- Prevent others from entering the area.
- Call 911 when you are safe.

Hide. If an evacuation is not possible, find a place to hide and:

- Lock and/or blockade the door.
- Silence your cell phone.
- Hide behind large objects.
- Remain very quiet.
- Your hiding place should:
 - Be out of the shooter's view.
 - Not trap or restrict your options for movement.
 - Provide protection if shoots are fired in your direction

Fight. As a last resort, and only if your life is in danger:

- Attempt to incapacitate the shooter.
- Act with physical aggression.

- Improvise weapons.
- Commit to your actions.

Arriving law enforcement's first priority is to engage and stop the shooter as soon as possible. Officers will form teams and immediately proceed to engage the shooter, moving towards the sound of gunfire.

When law enforcement arrives:

- Remain calm and follow instructions.
- Keep your hands visible at all times.
- Avoid pointing or yelling. • Know that help for the injured is on its way.

Bomb Threat

Bomb threats usually occur by telephone. The caller has a message to deliver and has chosen the telephone as the medium for this communication. Motives vary, as does the desired outcome. The most important thing to remember when a bomb threat is received is to take the caller seriously.

If you receive a bomb threat:

- Notify the campus security (409-944-1361) and Administrative Services (409-944-1206) or (911).
- Elicit as much information as possible from the caller.
- When a threatening call is received, attempt to learn the following:
 - When is the bomb set to go off? ○ What is the explosive? ○ What does it look like?
 - Where in the building is it? Did you place the bomb there?
- What does the person's voice sound like? (man, woman, child, accents, etc.)
- Were there any identifiable sounds in the background?
- Exact wording of the threat.
- Calmly notify others in the area.

If a bomb is found, isolate the area:

- Evacuate the area or the building.
- DO NOT: handle the device, use two-way radios, use cell phones, use pagers, or turn lights on/off.
- Allow only emergency personnel to enter the area.
- Re-enter the building only after advised to do so by campus security or Administrative Services.

Camera (Surveillance) System

To help deter theft, damage, and to monitor the traffic flow in and out of student housing, surveillance cameras are installed. Tampering with surveillance camera equipment is viewed as a threat to community safety and may result in damage charges, removal from housing, and possible legal action. Recorded activity may be used as evidence in the campus judicial system or in legal proceedings.

Communicable Diseases

Students living in student housing who are diagnosed with a communicable disease, including but not limited to chicken pox, measles, mumps, mononucleosis, or other communicable disease that proves to be a health threat to other residents may be relocated to an alternate apartment/room on campus until such time when it is determined the student is no longer contagious.

The student housing staff will maintain the privacy of any student who has knowledge of testing positive for any communicable diseases. To make arrangements to temporarily relocate due to having a communicable disease, contact your housing staff.

Emergency Equipment

Tampering with, damaging or inhibiting the use of emergency equipment is prohibited. Residents may not use emergency equipment for any purpose other than emergency use. This includes fire extinguishers, heat, gas and smoke detectors, exit signs, or any other emergency equipment.

Residents are not permitted to hang anything from or around sprinkler heads. Because of the potential safety threat, residents found responsible for tampering with or damaging emergency equipment may be subject to college disciplinary action and/or contract cancellation.

Emergency Evacuations/Fire Drills

For the protection and safety of the community, fire and emergency drills will be conducted periodically, sometimes unannounced, to ensure that proper procedures are known and followed. Become familiar with the exit routes posted at focal points in each building. All residents are to comply and cooperate when a fire drill is being conducted. When the fire alarms sound, all residents and visitors must immediately exit the building and go to the designated evacuation area. Residents will be told when the building is declared "all clear" and can return to the building. Failure to evacuate during a fire alarm could result in summons, fines, or legal repercussions.

FIRE & FIRE ALARMS

When the fire alarm sounds, **EVERYONE** must exit the building immediately. Follow instructions below.

Primary Escape Route: Entry Doors.

Secondary Escape Route: Doors to exterior stairwells.

Prior to evacuating the room

1. If your door is hot to touch, **DO NOT OPEN IT!**
 - Roll up a wet towel and place it at the base of the door to prevent smoke penetration.
 - Use a secondary means to exit the room.
2. If your door is cool to the touch, **OPEN IT SLOWLY.**
 - If you encounter heat and/or pressure in the hallway, leave your room carefully, closing the door behind you, and proceed to the nearest exit/stairwell to the designated area to be counted by a staff member. (If possible, alert other students on your way to the exit.)
 - If the hallway is clear, close your door behind you and proceed to the nearest exit/stairwell. (If possible, alert other students on your way to the exit.)
3. Always use stairs to evacuate the building.
4. If you encounter smoke, take short breaths through your nose and stay close to the floor (crawl if possible.)
5. **DO NOT** attempt to remove personal items.
6. If your clothing catches fire: **STOP...DROP...AND ROLL!!!**
7. Once outside the building, move far away from the building and wait until recalled by an authorized College official.
8. Disabled persons who require assistance in evacuating should alert their Student Hall Supervisor/Student Life Coordinator in advance.

9. ALWAYS REMEMBER YOU ARE NOT EXPECTED TO FIGHT A FIRE YOURSELF.

Fire Extinguishers

Fire extinguishers are provided as a safety device for use in the event of a fire. As a student, your responsibility is to evacuate the building. **YOU ARE NOT EXPECTED TO FIGHT A FIRE.** If you attempt to fight a fire or use the fire extinguisher, you do so at your own risk.

Fire Prevention

For resident protection and in accordance with fire codes, the following are not permitted in student housing: candles, candle warmers, incense, potpourri burners, Sterno cans, sparklers, etc. Combustible liquids of any type are not to be used or stored in student housing. Halogen lamps are not permitted since they operate at a very high temperature and are a fire hazard. Only free-standing or desk lamps may be added to the rooms. Residents may not have any fireworks, explosives, ammunition, gunpowder, or any other related materials in student housing. Possession of ammunition and fireworks implies intent to use them. Use of any of these items is dangerous and a safety hazard.

EXPLOSION

- **IMMEDIATELY** take cover
- Stay calm
- Contact Campus Security at 409.944.4242 or 409.944.1361
- Give your name, location and nature of the explosion(s)
- If available, activate the manual pull station building alarm system
- Evacuate the building.
- **DO NOT RETURN TO EVACUATED BUILDING** unless told to do so by College official

HURRICANES

Hurricanes can be a threat to Galveston Island. Hurricane season generally lasts between June and November but storms can also occur earlier or later in the year. Hurricanes are the most dangerous and destructive of any tropical system (including Tropical Disturbances, Tropical Depressions, and Tropical Storms.) Hurricanes bring winds in excess of 64 knots (74mph), heavy rains, and can be a major hazard to property, life and limb. As such, there is a possibility that students may be asked to evacuate the campus because of a hurricane threat. If there is a hurricane threat, the following precautions should be taken:

- Students will not be permitted to shelter on campus so arrange now for TRANSPORTATION, should an evacuation be ordered.
- If an evacuation is necessary, all students will be required to depart campus.
- Automobiles should be filled with gasoline as soon as possible and driven only as necessary.
- Arrangements should be made to remove all automobiles from campus if an evacuation is ordered.
- Students without transportation should make arrangements to ride with fellow students.
- Persons with vehicles are asked to share space with those who have no vehicle. If you can provide a ride to other students, please notify the Office of Student Life of your destination and number of passengers you can accommodate.
- If you are unable to arrange transportation, report to the Office of Student Life as soon as possible.

Prepare for safety of any PERSONAL BELONGINGS that you plan to leave behind.

- Students in student housing should lock up all personal belongings to secure against looters.

- In the event of an evacuation, students should take books, personal computers, and other course-related materials with them. In the event of a direct- hit it is possible the campus may not be accessible for an extended time and classes will continue from an alternate location.
- If the order to evacuate is given, personal gear should be placed on top of furniture and/or moved to the bathroom. Clothing, bedding, and shoes should be protected from possible flooding.
- All electrical appliances should be unplugged except air conditioners.
- Clear all porches, balconies and outside areas of personal gear.
- Clean all refrigerators. Unplug them and leave the doors open. All food should be taken with you or carried outside to the dumpster.
- Empty trash cans.
- Lock all doors and windows to include bathrooms and patios. Do NOT duct tape windows.
- Remove all rugs and personal carpets from the floors.

CHECK OUT prior to leaving.

- When checking out, all students should notify the Office of Student Life concerning their destination and travel arrangements. This information will assist the College in assuring all students are safe and accounted for.

Listen for ANNOUNCEMENTS for the resumption of classes.

- The Galveston College webpage (www.gc.edu) will be the best source of information.
- The Galveston College number for emergency information is 1-866-483-4242.
- The media will be asked to announce both cancellation and resumption of classes. Local radio station KGBC runs 24-hour hurricane announcements.

Once back on campus you should be aware of potential hazards that may exist. Remain aware of your surroundings as various animals displaced by the storm may be present. College personnel shall make every effort to clear the area before your return. If you are bitten seek immediate medical attention. Report the incident to the Office of Student Life after receiving proper medical attention.

ADDITIONAL INSTRUCTIONS AND INFORMATION will be disseminated by Student Life staff, Student Services personnel, and Campus Security.

Campus Lockdown Procedures

In case of a campus emergency, including an Active Shooter near or on-campus, the following campus protocols will be implemented based on the situation. Notifications and instructions will be distributed via the Galveston College emergency notification system.

Shelter in Place

This protocol will be implemented in case of an external threat to campus such as a short-term weather emergency, the presence of a contaminant in the environment or another event on or in the vicinity of campus that creates a heightened risk to public safety. What to do:

2. Close all windows and doors.
3. Tune radio or television to a local or regional station for continuous updates. (740 AM, Houston TV Channels 11, 2, 13 or 26).
4. Cover your mouth with a damp cloth, take frequent shallow breaths and stay calm.

5. Do not leave the building until given notification that the danger has passed.

Emergency Lockdown

This protocol will be implemented if gun shots are heard on or near campus, a serious crime is committed on or in the vicinity of the campus, there is police pursuit on or near the immediate campus area, or there is an event that creates a significant risk to public safety. What to do:

1. Go to the nearest building or office and take shelter away from windows and doors.

Power Outages / Black-Outs - Staying Safe in the Dark

- If a power outage occurs, remain calm and notify the Maintenance Department at 409.944.1361 or 409.944.1365.
- Keep a flashlight with fresh batteries in your room.
- Provide assistance to others in your immediate area who may be unfamiliar with their surroundings.
- If you are in an unlighted area, proceed cautiously to an area that has emergency lights.
- If you are in an elevator, stay calm. Use the emergency button or telephone to alert College officials.
- If normal communication channels (electronic) are disrupted, information will be available / posted in a central location in the Student Life Office.
- In the case of a black-out, always follow the instructions of College personnel.
- Students should consider the personal impact of having no electric service for an extended period of time as restoration time could be multiple days. As a general rule, it is advised to have a personal supply of non-perishable food and water for up to 3 days.

Other Tips

- Do not use charcoal or gas grills inside closed areas, including garages and porches, due to carbon monoxide risks.
- Have several flashlights on hand with fresh batteries. Do not use candles!
- Unplug computers, TVs, DVD players and other sensitive appliances. This will minimize the risk of possible damage to the devices when power is restored.
- Turn off all but one light so that you'll know when electricity has been restored.
- Turn off all heat producing appliances like electric irons to prevent fires in case no one is home when power is restored.

Downed Power Lines

Downed power lines can carry an electric current strong enough to cause serious injury or possibly death. High voltages also may be transmitted through materials other than power lines. A wooden pole, a kite, cable or other normally non-conducting material may carry an electrical current if it becomes wet or soiled.

1. It is not possible to determine if a downed power line is energized. Never touch or attempt to move a downed power line or a person who is in contact with a power line.

2. Direct everyone away from the area
3. Call Campus Security at 409.944.4242 or 409.944.1361.
4. Don't drive over downed power lines.
5. If a downed line is near water, keep a safe distance from the line and the water, even if it is a small puddle.
6. Be careful not to stand under tree limbs or power lines. Tree limbs can become weakened during a storm but not fall until several hours or even days after the storm. The same can be true for power lines or poles that sustain damage.

Severe Weather

During severe weather alerts, residents are encouraged to monitor TV and radio reports and should take reasonable precautions. In the event of a tornado, all students should move immediately to the interior hallways/rooms on the lowest possible floor away from windows. Housing staff will try to communicate with students about severe weather threats; however, in a critical situation, time may not allow for room-by-room notification. Galveston Alerts and announcements will be used to communicate with students as severe weather situations develop.

Tornado Watch / Water Spout* Watch

Definition: Weather conditions that could result in the formation of tornados.

Tornado Warning / Water Spout Warning

Definition: A tornado has been spotted in the area or has been indicated by radar.

1. Campus Security will notify the college president (or representative) and the decision to evacuate or shelter in place will be made by that college office, designee or security officer.
2. Campus Security and designated monitors will evacuate all persons in campus buildings to designated tornado shelters on campus.

Designated Tornado Shelter Areas

Interior rooms that are away from glass

Hallways that are away from glass

**Water spouts are tornadoes that form over water and which on occasion can come ashore.*

COMMUNITY LIVING A-Z

Activities & Recreational Sports

Numerous entertainment, sporting events and special activities are held throughout the Fall and Spring semesters. An intramural program and numerous clubs and organizations are available to provide residents the opportunity to come together to participate in recreational and competitive activities.

Alterations to the Room/Apartment

Alterations, changes, or remodeling of the premises, interior or exterior, are not permitted. Students are expected to report maintenance issues to the Housing Staff. Command products or removable mounting putty may be used to attach items to student housing walls and must be removed properly without damage to the wall upon resident checkout. LED light strips are also not permitted.

Bathroom Cleaning

Students are responsible for maintaining sanitary conditions in their bathroom facilities by using general household cleaning products to clean the sinks, toilets and showers.

Do not use drain cleaners in clogged drains. For clogged drains, notify the housing staff who will notify maintenance. No foreign objects, including food, should be put in toilets, sinks or shower drains. Students will be responsible for damage resulting from misuse, and may be subject to a conduct referral.

Bicycles

Bicycle racks are provided at various locations around campus. If you bring a bicycle to campus, you should also bring an appropriate lock to secure it since storing bicycles in student housing is not permitted.

Campus Carry Regulations

Use or possession of firearms or weapons is prohibited on campus and in Student Housing. However, if the Student has a Texas license to carry a concealed handgun, the student may possess such a weapon if done in full compliance with state and federal laws and GC Board Policies. See **Attachment C** for additional information.

Galveston College considers any violation of state law regulating firearms to be a violation of Galveston College rules. Accordingly, such a violation is subject to disciplinary action through the College's student judicial process, which may include removal from campus housing and or the College. Additionally, the handgun license holder must comply with Texas statutory law at all times.

Change of Address

To change a name or address, a resident should notify Enrollment Services. All College communication that is mailed to the name and address on record, or is e-mailed to the student's Galveston e-mail address is considered to have been delivered, and the student is responsible.

Check-in & Check-out Procedures

Check-in and check-out procedures are crucial. Students must complete all housing application and check-in procedures before occupying a room.

Checking-In Procedures

When **checking-in**, residents should report to the Student Life Office during the established check-in times. Please follow the instructions below to insure a smooth and proper check-in:

- Upon arrival, meet with Student Housing Staff to confirm receipt of all fees and necessary paperwork.
- Receive your room assignment and key.

Failure to follow the posted check-out procedures, including leaving on time, will result in the resident incurring an improper checkout fee. Residents are also expected to clean their room completely by removing dirt and trash, and wiping down countertops and surfaces. When a resident leaves student housing, the student must remove ALL possessions. Items left in the room after check-out will become the property of Galveston College.

When a resident moves out of housing early, the student must remove ALL possessions. Items cannot be stored in the room with the roommate or another resident. Abandoned items will be discarded and a charge placed on the former resident's account. See Code of Conduct Violation Chart – Abandoned Property for details.

Students who plan to return after the Thanksgiving and Spring Break closings may leave their belongings in the rooms without going through the complete check-out procedure. Any student planning to return for the next semester (i.e. Winter break) may leave their belongings but must unplug and empty refrigerators and turn in keys. **Galveston College accepts no responsibility for belongings left in rooms.**

- Winter Break (Three Criteria) - In order to leave things in rooms between the Fall and the Spring semesters, residents must meet three criteria. The resident must: (1) be returning to the same room, (2) be registered for the next semester, and (3) their next semester bill must be paid IN FULL or have verification of adequate scholarship or financial aid. If the resident does not meet these three criteria, all possessions must be removed from the room. Leaving items between any other semesters is not allowed without express written permission from the Office of Student Life. Housing may be available for student populations who need to remain on campus due to an extreme circumstance (Ex: GC Allied Health Clinical, Medical Emergency) or related to a College sponsored event (Ex: GC Athletic Contests). **Part-time employment is not considered an extreme circumstance.**

Damages

Each resident, in addition to the privileges and opportunities provided in student housing, is expected to use the facility and furnishings in a reasonable manner. Damages a resident causes will be his/her responsibility. An assessment will be made of any damages, and the cost will be billed to the student(s) involved. Students must not attempt to make any repairs themselves. Students are expected to promptly pay any cost to the College as soon as notification is made, whether it is possible to make notice to the student at check-out time or the student must be notified afterwards. Following check-out, all charges due must be paid to the Business Office or a hold will be placed on student records until total payment is received.

Damages Charges - General and specific damages including destruction of College property, defacing signs, doors, windows, walls, floors, trim or leaving stains, glue, and putty residue on walls and surfaces will be charged directly to the resident's account. Residents may be held accountable for any abnormal wear, damages, and cleaning of public areas of their hall, house or apartment. Group Billing for Damages/Vandalism/Littering - Residents are collectively accountable for any special cleaning required, abnormal wear or repair of damages occurring as a result of horseplay or vandalism to the housing unit or their room. This includes billing for damages to an individual, entire room or house if damages cannot be attributed to a specific resident. The SLC will determine the amounts of such loss or damages.

Residents are not permitted to make any repairs or alterations to their room, suite or house. All maintenance requests must be reported to the Student Life Office.

Each resident is issued entry door keys. For security reasons and to conserve energy, room/apartment doors and windows should remain locked. All residents should keep their bedroom doors and/or apartment/suite/house entry doors locked at all times. When housing staff find an unlocked door, the room will be inspected. After the room inspection is complete, the door will be locked. Leaving these doors unlocked jeopardizes your security and the security of residents in the house or occupants of the apartment. Entry and exit doors remain locked 24-7 in Student Housing. Residents must meet their visitors at the entry door. Propping entry and exit doors is strictly prohibited. Do not permit "tailgating," (allowing persons to follow you into the building.) Do not leave windows and doors unlocked for illegal entry. Tampering with a room door lock (i.e. pin locking) will be assessed a fee plus damage charges.

Work orders must originate with the Office of Student Life. **Maintenance personnel are on duty between the hours of 7:00 a.m. to 4:00 p.m. Monday through Friday, and may not always arrive at hours most convenient to the residents. Every resident is entitled to privacy in his/her room. Privacy is intended as a respect for the rights of the individual and not as a shield to protect any individual who is using a private room to engage in activities that violate State or Federal laws or College policies. The College reserves the right to enter a student's room for the following reasons:

- An occupant of the room may be ill, physically harmed or endangered
- College property is being damaged
- College policy or law is being violated
- Routine inspection for maintenance or housekeeping needs

Galveston College personnel and SH staff are authorized to visit rooms at any time to check on conduct, house or room closing, room checks, response to an emergency, response to an alleged violation, reasonable suspicion of a violation, if a College regulation is being violated, maintenance, and/or to reclaim College property. 1. Sexual Harassment - Unwelcome, sex or gender based verbal or physical conduct is sufficiently severe, persistent or pervasive that it has the effect of unreasonably interfering with, limiting or denying someone the ability to participate in or benefit from the college’s educational program. The unwelcome behavior may be based on power differentials (*quid pro quo*), the creation of a hostile environment or retaliation. Examples include: an attempt to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwelcomed sexual attention; to punish a refusal to comply; to condition a benefit on submitting to sexual advances; sexual violence; intimate partner violence; stalking; and gender-based bullying. Refer to the Student Handbook for additional information.
2. Discrimination - Any distinction, preference, advantage for or detriment to an individual compared to others that is based upon an individual’s actual or perceived gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion or sexual orientation that is so severe, persistent or pervasive that it unreasonably interferes with or limits a student’s ability to participate in or benefit from the college’s educational program or activities. Refer to the Student Handbook for additional information.
3. Discriminatory Harassment - Detrimental action based on an individual’s actual or perceived gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status,

pregnancy status, religion, sexual orientation or other protected status that is so severe, persistent or pervasive that it unreasonably interferes with or limits a student's ability to participate in or benefit from the college's educational program or activities. Refer to the Student Handbook for additional information.

4. Retaliatory Harassment - Intentional action taken by an accused individual or allied third party, absent legitimate nondiscriminatory purposes, that harms an individual as reprisal for filing or participating in a civil rights grievance proceeding. Refer to the Student Handbook for additional information.

Uncooperative Manner

A student is expected to comply with the reasonable direction and requests of a College official. Examples of Uncooperative Manner would include, but are not limited to, refusal to open a room door, refusal to produce/show identification, giving false or misleading information, or failure to follow Student Life emergency procedure directives, and failure to heed an official summons of any College officials' action in the performance of their duties.

Unsanitary Living

All students are expected to clean their bedrooms, bathrooms and common spaces on a regular basis to prevent pest infestation and potential health issues. Failure to regularly clean may result in a dismissal from student housing.

Verbal Abuse

Sometimes staff members must speak to residents and their guest to remind them of policies and procedures or to document policy violations. The staff members are doing their job and no resident should verbally abuse them through shouting, being argumentative, or making rude, vulgar, indecent, or obscene comments and/or gestures toward the staff. Incidents of this nature will automatically be sent to the housing office and dealt with by the Associate Vice President for Student Services. If a resident feels they have been verbally abused by a staff member, they should contact the Student Life Coordinator.

Windows

Due to the security risks presented by open or unlocked windows, student housing windows should remain closed and locked at all times. In addition, open windows interfere with proper cooling and heating of the buildings. Windows should never be used for entering or exiting a building, except in an emergency.

Quiet Hours

Residents should observe CONSIDERATION HOURS at all times of the day. This includes keeping noise to a minimum while moving throughout the building and stairwells so as not to disturb others. In order to ensure that students have the opportunity to exercise their rights to study and sleep in their rooms, QUIET HOURS have been established campus-wide from 10:00 p.m. to 8:00 a.m. everyday. During quiet hours, noise should be limited to a level that could not disturb the nearest neighbors' attempts to sleep or study. Twenty-four hour quiet hours will be observed during final exams weeks.

Music and noise should never be projected from your room to the outside of the building. Stereos, TV's, musical instruments, and video games should be played at a volume that cannot be heard by the nearest neighbor. It is recommended that a headset be used with these types of equipment.

Refrigerators

A total of only one refrigerator, no larger than 3.2 Cu. Ft, will be allowed per room. The electrical cord must plug directly into a wall power receptacle. During extended holidays, between semesters, and in the case of a campus evacuation, the refrigerator must be emptied, cleaned and unplugged, and the refrigerator must be removed from the room prior to applying for room clearance.

Residence and/or Campus Housing Meetings

Mandatory Student Housing Meetings are held throughout the semester to inform residents of important information. They are usually held at the beginning, middle and end of each semester. Residents are required to attend all announced meetings and will be responsible for all information presented. Exceptions must be cleared with the Student Life Coordinator/Student Housing Supervisor prior to the meetings. Missed meeting must be made up with Housing Staff. Disciplinary action will be taken for unexcused meetings.

Respect for College Officials

All residents are expected to respect the authority of Galveston College officials, which includes the housing staff members. Failure to acknowledge a request from a College official will result in disciplinary action.

Room Appearance

Residents must maintain an orderly living area, using reasonable sanitation and safety standards. Regularly empty wastebaskets and clean rooms, bathroom area, and common area (if applicable). Keep dirty clothes in laundry containers. Galveston College reserves the right to check rooms at any time. All residents must maintain satisfactory sanitation and safety standards in their assigned room, suite and common living areas. It is the student's responsibility to maintain their individual rooms. All trash must be removed. Trash cannot be left outside any of the main door ways. Failure to adhere to sanitary living may result in an assessment of fines and/or student conduct points.

Room Decoration Policy

Residents are expected to use good taste and common sense in decorating their rooms or apartments. No articles may be displayed in the windows, however, appropriate window coverings are allowed. No objectionable material should be displayed in the room. Seasonal decorations must be fire retardant.

Due to fire code, do not attach anything to the ceiling. Do not use screws, nails, bolts, and hooks on interior or exterior walls or ceilings. All exterior doors must remain free of nails, white boards, bulletin boards, or any other additions to the original surface.

Command products or removable mounting putty may be used to attach items to student housing walls and must be removed properly without damage to the wall upon resident checkout. Failure to do so could result in a damage charge.

Residents will be charged for damage caused by any decorations that mark, deface, or mar the interior or exterior of student housing. Galveston College does not allow any wallpapering or any alteration of the existing décor. Students are also prohibited from hanging televisions or monitors on walls. Students will be charged for repair costs if the room has to be repainted.

Solicitation

Solicitation is the sale or the offer for sale of any property or service, whether for immediate or future delivery. No soliciting and/or canvassing of any kind, without the prior approval of Galveston College Office of Student Life, will be permitted in or about the premises.

Theft

Theft or illegal possession of any property belonging to the College, any member of the College community, or any campus visitor is subject to disciplinary action. Victims of theft should file a theft report with the Galveston College Security Department immediately and inform their Student Housing Supervisor/Student Life Coordinator of the theft. Contact campus security at 409-944-1361 or 409-996-7663 as soon as you know an item has been stolen.

Throwing Objects (Water Balloons, Eggs, etc.)

Water balloons are prohibited within all student housing. The throwing of these or similar items such as eggs, at a person, building, vehicle, or anything else on College property is prohibited.

Trash

Place trash and garbage from the room/unit in the trash dumpsters and bins provided. Trash bins must be moved to the curb every Wednesday so they can be emptied by City of Galveston Sanitation Services. After the bins have been emptied students must move the bins back next to the house.

Bags of trash left in hallways, laundry rooms, community bathrooms, on porches, walkways or balconies will incur a fine and conduct points which could be an individual charge or a group billing. See Code of Conduct Violation Chart for details.

Littering is prohibited and residents and their guests may be charged a cleanup fee for littering.

Service & Emotional Support/Comfort Animals

Exceptions are made for Service Animals and Emotional Support Animals according to the guidelines outlined on **Attachment B**. Students interested in bringing a Service Animal on campus must meet a number of guidelines and submit their request to the Office of Special Services and the Office of Student Life.

Visitation Policy

Residents are not permitted to have visitors in their rooms or the common areas of student housing if they are not a resident of that housing unit between **10pm – 8am** every day. If the unauthorized visitor is also a student, both students will be subject to disciplinary action.

- In any student housing, crossing the threshold of the entrance or exit will be considered a visitation violation, **no matter what the reason or length of stay**.
- Fines and other disciplinary action may be assessed for behavior that violates additional college policies.
- Roommates should also take responsibility for behavior in their room. Students present at the time of an offense may all be included in the disciplinary action.

Galveston College Disciplinary Point System

The disciplinary point system is designed to promote consideration and safety for all community members. Violations occurring within on-campus housing are assessed by the disciplinary point system at the discretion of the Associate Vice President for Student Services.

Failure to Meet with Associate Vice President for Student Services

When a student is issued a disciplinary summons, the student must meet with the Associate Vice President for Student Services within 24 hours. If the incident occurs over the weekend the student may have until the next business day to meet with the Associate Vice President for Student Services. Students can call 409-944-1341 to arrange an appointment with the Associate Vice President for Student Services. STUDENT RIGHTS AND RESPONSIBILITIES

The role of Galveston College is to encourage individuals of all ages to develop their skills and talents based on their abilities and interests, so that collectively they may contribute to the growth and development of this democracy. College policies, procedures, and regulations are formulated to promote an appropriate teaching and learning environment where each student has the freedom to learn and where the constitutional rights of others are protected.

The concept of rights and freedom, no matter how basic or widely accepted, carries with it corresponding responsibilities. Students, as well as other members of the college community, enjoy the same constitutional and civil rights guaranteed all citizens; at the same time, they are subject to the laws of the nation, the State of Texas, and the local community. All members of the college community have a strong responsibility to protect and maintain an academic climate in which the freedom to learn can be enjoyed by all. To this end, certain basic regulations and policies have been developed to govern the behavior of students as members of the college community.

Violations of student conduct regulations will be handled through the Office of the Associate Vice President for Student Services. Violations of federal, state, and/or local laws make a student subject to civil or criminal action in addition to disciplinary action by the College.

Each student is responsible for knowing the policies and regulations of the College.

A. Freedom of Expression

The rights of free speech and peaceable assembly are fundamental to the democratic process. The College supports the rights of students of the college community to express their views and opinions on actions or ideas, to associate freely with others, and to assemble peacefully.

Whether expressing themselves as individuals or in organized groups, members of the college community are expected to conduct themselves responsibly, according to law, and to respect the basic educational goals of the College. Accordingly, the College insists that free expression not violate the rights of others. Disruption of the educational process and functions of the College, or violation of law, would constitute such a violation.

B. Freedom of Access

Within the limits of its resources, Galveston College shall be open to all applicants who are qualified according to current admission requirements. Galveston College does not discriminate on the basis of race, creed, color, national origin, mental or physical disabilities, age, or sex in any of its policies, practices, or procedures. This includes, but is not limited to, admissions, employment, financial aid, and educational services, programs, and activities.

C. Freedom of Association

Students are free to associate to promote their common interests. They have the right to seek, through official procedures, and establish organizations of their choosing so long as such are not in conflict with the educational purposes of the College. Students have the right to affiliate with officially recognized campus organizations of their choice, within the requirements of those organizations relative to membership.

D. Academic Rights of Students

The College has the responsibility of providing a program of quality education in keeping with its financial resources; students have protection through campus-designed procedures against prejudiced or capricious academic evaluation. Student performance shall be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards. Students are responsible for completing their academic program, being familiar with all requirements of the College Catalog, and for maintaining their grade point average for degree requirements.

E. Student Records

Student records are maintained in confidence and in compliance with the Texas State Library and Archives Commission retention schedule. Student records are used to promote the instruction, career development, guidance, and educational progress of the student. In accordance with the Family Educational Rights and Privacy Act of 1974, Public Law 93-380, as amended, the student has access to specific information contained in his or her official records as specified by that act. Student records may be released to other persons, agencies, or institutions with a demonstrated interest in the student only if a written release has been signed by the student. College staff shall have access to student records when there is a demonstrated educational interest in the student.

F. Student Participation in Institutional Decision-Making

The primary route of Galveston College students in decision-making is through participation in the Student Government Association (SGA). Students also may be invited to serve on one of the various institutional committees. Student opinion of food services, student housing, student activities, etc., are gathered from a number of surveys. All student input, whether it be through organized clubs, committees, or questionnaires, is given serious consideration as suggestions for change in and improvement of the College.

Student Complaint and Grievance Process

Grade Appeal

Any student at Galveston College has the right to appeal academic decisions or actions which he or she considers manifestly unjust or improper. The primary responsibility for assigning grades in a course belongs to the individual course instructor, and in the absence of compelling evidence of discrimination, differential treatment, or procedural irregularities, the judgment of the instructor responsible for the course must remain determinative. Please see the formal appeal steps detailed in the Student Handbook.

Student Disciplinary Process

When the Associate Vice President for Student Services (herein referred to as the "Vice President") or the President's designee (in case the Vice President is unavailable) receives information that a student has allegedly violated a College policy or administrative rule, the Vice President shall investigate the alleged violation. After completing a thorough investigation, the Vice President will determine the course of action which could include suspension or expulsion. This decision may be appealed to the college discipline committee. The complete discipline policy, including the hearing procedures and appeals process, may be found in the current Student Handbook.
