The Board of Regents shall be encouraged to participate in meetings and workshops designed to improve their effectiveness and understanding of their responsibilities. Reimbursement for reasonable travel expenses for attendance at such conventions, conferences, and workshops shall be made by the College District when attendance is authorized and deemed by the Board to be necessary or desirable in carrying out the educational functions of the College District.

In accordance with Government Code 551.991(4), Board members may attend regional, state, or national conventions or workshops without such gatherings being construed as meetings under the Open Meetings Act. However, no formal action shall be taken at such conventions or workshops concerning College District business, and any discussion of public business shall be merely incidental to the convention or workshop.
