

BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT:
TRAFFIC AND PARKING CONTROLS

CHC
(LOCAL)

The traffic and parking policies and procedures of Galveston College are designed to promote public safety and to create safe traffic and parking conditions on campus.

PARKING ON
CAMPUS

The College shall provide, insofar as possible, parking spaces on campus for use of staff, students, and guests of the College. However, Galveston College does not guarantee a parking space, nor does the absence of a parking space justify violation of the College's motor vehicle rules and regulations.

PARKING PERMITS

All students, faculty, staff, and Board members utilizing campus parking facilities must properly display a valid Galveston College parking permit and park in an appropriate parking space.

Failure to display a parking permit as described above constitutes a parking violation. (For additional information on parking violations, see parking violations below.) Students, faculty and staff shall be responsible for all permits registered in their name, regardless of the owner of the vehicle.

WHERE TO PARK

Students, faculty, staff, and Board members with handicap / disability license plates or special handicap tags may park in any designated handicap space. All students may park in all parking lots and spaces not designated for visitors, for the disabled, for college vehicles, for faculty and staff, or as reserved. These spaces are reserved 24 hours a day 7 days a week.

GENERAL
PROVISIONS

1. Galveston College has developed Campus Motor Vehicle Rules and Regulations for the purpose of proper identification of vehicles of persons who have legitimate business with the College; to ensure safety/notification of students, faculty and staff in an emergency; to provide orderly parking, traffic and use of parking facilities; to provide for the issuance of vehicle identification permits; to ensure pedestrian safety; and, to provide for enforcement in the event of violation. The operation of a motor vehicle

on Galveston College property is governed by College policies and procedures.

2. The fact that a violation notice is not issued when a violation occurs does not imply that the regulation or rule is not in effect. Each vehicle operator is responsible for knowing and following the parking rules and regulations.
3. Campus Security has been charged with the authority to enforce these regulations, including the right to immobilize or tow vehicles for specific violations and/or for repeat violators. The owner or operator of an immobilized or towed vehicle is responsible for the cost of towing and storage fees in addition to any other assessed fines.
4. The College assumes no responsibility for any vehicle or its contents while the vehicle is parked or operated on College property. All vehicle operators should lock or otherwise secure their vehicles when parked on the Galveston College campus.
5. Registration of Motor Vehicles: All students, faculty and staff at Galveston College are required to identify their motor vehicles on campus through the use of a Galveston College Parking Permit. Parking Permits may be obtained free of charge from Media Services by completing the appropriate form.
6. Procurement of a Parking Permit by students or employees does not guarantee a specified parking space. Each driver is responsible for finding a legal parking space. Inability to locate a parking space is not an excuse for violating parking regulations.
7. A Parking Permit may not be obtained for or displayed by an individual ineligible to receive the permit. The College may suspend for a period of up to one (1) year, the parking privileges of individuals who violate this regulation.
8. Reserved Parking Permit: GC Employees assigned to designated reserved (restricted) parking spaces will be required to display a valid parking permit and the reserved parking hang-tag.
9. Parking for Disabled Persons: Galveston College follows state law regarding parking for disabled persons. Students, faculty and staff who have qualified and obtained a license plate or placard reflecting disability from the County Tax assessor's Office will be issued a parking permit. Those individuals may park in any parking space for disabled persons as long as their license plate reflects disabled status or their placard reflecting disability is hanging in their vehicle and is clearly visible.
10. Display of Parking Permits: Parking permits must be

current and properly displayed on the motor vehicle. On automobiles and trucks, the parking permit must be prominently displayed in a manner that allows a clear view of the permit: Decals will be placed on the lower left corner of the rear window or left side of the rear bumper for convertibles. Hang-tags will be hung from the inside rear-view mirror.

BICYCLE,
MOTORCYCLE,
MOTOR SCOOTER
AND MOPED

3. Parking of motorcycles, motor scooters or mopeds must be restricted to areas or spaces marked or designated for these types of vehicles. Designated motorcycle parking spaces are located between the Fine Arts Building and the Northen Building and on the eastside of the Hermes Fitness Center.
